

## My Poems

(from Jack Prelutsky's poem starters)

### **A Turtle**

Because I am a turtle  
I have no need to roam  
I simply stick my head inside  
And call it "Home Sweet Home".

### **A Cow**

I moo because I'm happy  
Doing what I do  
And often  
When I feel that way  
I say it with a moo.
